Defendants.

ORDER

The Invoice submitted by Mr. Christopher Graham, d/b/a Diligens, LLC (Docket No. 2297) is **NOTED and APPROVED** as follows.

In invoice number 2023-01, mileage is claimed at \$0.625 per mile. Effective January 1, 2023, the General Services Administration increased the mileage rate for vehicles from \$0.625 to \$0.655 per mile. The invoice also includes a claim of \$12.99 for an Uber ride service on January 18, 2023, but the invoice in support of this claim states that the cost of the service is \$9.93.

Mr. Graham's invoice will be adjusted to increase the mileage claim and reduce the Uber service to its actual cost. The net effect of the adjustments results in a reduction of \$0.18.

The Clerk of the Court is instructed to issue a payment in the amount of \$6,756.08.
